

## ANNOUNCEMENT OF POSITION

- RANK AND POSITION:** Assistant Professor of Biology
- EFFECTIVE DATE:** January 2010
- SALARY:** Commensurate with qualifications and experience
- AREA(S) OF SPECIALIZATION:** Biology
- QUALIFICATIONS:** Doctorate degree in Biology required. Strong background in Immunology, genetics or Biotechnology is advantageous. Evidence of scholarly, professional activities, i.e. grant writing and other external funding opportunity, publishing and research required.
- MAJOR RESPONSIBILITIES:** The individual filling the position will teach undergraduate and graduate courses in Biology with an average teaching load of twelve credit hours per semester, advise students, serve on departmental and university committees, participate in university functions and perform other duties as assigned. The individual will also be expected to engage in undergraduate research.
- THE INSTITUTION:** Albany State University is a fully accredited unit of the University System of Georgia. The Department of Natural Sciences currently has nineteen (19) faculty members. The Department of Natural Sciences offers degrees in Biology, Chemistry and Science Education.
- Faculty members receive all benefits provided by the University System of Georgia, including hospital and major medical insurance, group life insurance and participation in the Georgia Teachers' Retirement System, Optional Retirement Plan and Social Security.
- APPLICATION FORMS:** Current federal law requires identification and eligibility verification prior to employment. Only U.S. Citizens and aliens authorized to work in the United States may be employed. Application forms may be obtained from the Department of Human Resources. The application deadline for the position is November 13, 2009 or until position is filled. Please send a letter of application, official transcripts, vitae and three (3) letters of recommendation, less than one year old, with original signatures to:
